AUGUST 2005

Commonwealth of Massachusetts, Hampden: SS.
To the constable of the Town of Tolland in the County of Hampden.

Greetings:

IN THE NAME OF The Commonwealth of Massachusetts, you are hereby directed to notify and warn the inhabitants of said town, qualified to vote in elections and town affairs, to meet at the Town Hall (241 West Granville Road), Tuesday, the ninth (9) day of August next at 3:00 in the afternoon then and there to act on the following articles.

TO VOTE BY BALLOT FOR THE FOLLOWING:

QUESTION 1

Shall the Town of Tolland be allowed to assess an additional \$20,000.00 in real estate and personal property taxes for the purpose of property revaluation for the fiscal year beginning July first two thousand five.

QUESTION 2

Shall the Town of Tolland be allowed to assess an additional \$20,133.00 in real estate and personal property taxes for the purpose of the Police Chief's, Sergeant's and one officer's Salaries and Expenses for the fiscal year beginning July first two thousand five.

Question 3

Shall the Town of Tolland be allowed to assess an additional \$3,730.37 in real estate and personal property taxes for the purpose of a 3% cost of living raise for the Town's Administrative Assistant, Assessor's Clerk, Accounting Officer, DPW Superintendent and DPW Full time worker.

QUESTION 4

Shall the Town of Tolland be allowed to assess an additional \$6,504.79 in real estate and personal property taxes for the purpose of DPW part time staff salary for the fiscal year beginning July first two thousand five.

QUESTION 5

Shall the Town of Tolland be allowed to assess an additional \$33,710.32 in real estate and personal property taxes for the purpose of DPW Construction and Maintenance for the fiscal year beginning July first two thousand five.

QUESTION 6

Shall the Town of Tolland be allowed to assess an additional \$45,000.00 in real estate and personal property taxes for the purpose of study and design services for a Garage/Emergency Service Complex for the fiscal year beginning July first two thousand five.

POLLS WILL CLOSE AT 7:00pm

Straight talk about the August 9th override vote.

QUESTION 1

Shall the Town of Tolland be allowed to assess an additional \$20,000.00 in real estate and personal property taxes for the purpose of property revaluation for the fiscal year beginning July first two thousand five.

- The state requires property revaluations. We have to pay for it weather it comes from an over ride or from our limited Free Cash.

QUESTION 2

Shall the Town of Tolland be allowed to assess an additional \$20,133.00 in real estate and personal property taxes for the purpose of the Police Chief's, Sergeant's and one officer's Salaries and Expenses for the fiscal year beginning July first two thousand five.

- An operating Police Dept. is one of the basic services provided by a community. Without this department emergency calls such as motor vehicle accidents and medical calls will be handled by The Massachusetts State Police. Non emergency calls such as permits & investigations will also be handled by the Russell Barracks.

QUESTION 3

Shall the Town of Tolland be allowed to assess an additional \$3,730.37 in real estate and personal property taxes for the purpose of a 3% cost of living raise for the Town's Administrative Assistant, Assessor's Clerk, Accounting Officer, DPW Superintendent and DPW Full time worker.

- A 3% cost of living increase is just that. There are no merit raises included in this.

QUESTION 4

Shall the Town of Tolland be allowed to assess an additional \$6,504.79 in real estate and personal property taxes for the purpose of DPW part time staff salary for the fiscal year beginning July first two thousand five.

- The part time summer help assists all of the extra duties of the department that are required. Our 2 men (DPW Department) are down to one when they take their earned vacations. Also, when our 2 men are working on a major project the part time help can continue to work on our day to day operations.

QUESTION 5

Shall the Town of Tolland be allowed to assess an additional \$33,710.32 in real estate and personal property taxes for the purpose of DPW Construction and Maintenance for the fiscal year beginning July first two thousand five.

- We cannot expect our DPW department to function with minimal manpower and zero materials to work with.

QUESTION 6

Shall the Town of Tolland be allowed to assess an additional \$45,000.00 in real estate and personal property taxes for the purpose of study and design services for a Garage/Emergency Service Complex for the fiscal year beginning July first two thousand five.

- For the past ten years we have been told by out DPW Supervisor that a new roof is need ed on the town garage. Each year due to budget concerns it was one of the first things cut. Now the building condition is such that replacement may be the best option. In last months Tattler a citizen identified safety concerns with our current building. He notified our Building Inspector in writing of his concerns. The Building Inspector by law must act on this. The State Building Inspector and Board of Health are scheduled to tour the building.

None of us as property owners would allow our homes to get into this condition. Do we as a community wish to allow it?

Respectfully submitted by Concerned Citizens of Tolland / Paid for by Concerned Citizens of Tolland

Tolland Library

Summer goes by just too quickly. Here we are already in August and “Back to School” signs are already up in the stores. There is still one more month to read on the beach, in the hammock, on the porch, in the grass, in the tree fort, or where ever makes you happy.

We have new books for everyone. Harry Potter and the Half-Blood Prince is in (just in case you didn't go out on midnight July 16th). Also in are 1776 by David McCullough, High Plains Tango by Robert James Waller, various Animal Arc books and the Alex Rider series by Anthony Horowitz. KIDS...DON'T READ THIS NEXT PART...We have a series of Homework Reference books by Scholastic for when school resumes. They will help students and parents answer those sticky questions such as “How do you find the volume of a cone?”

New movies in and about to arrive are Coach Carter, Dear Franky, and Million Dollar Baby. I highly recommend the latter. Hard to believe Clint Eastwood made it this far from those spaghetti westerns. Hillary Swank does a great job in this movie. Don't watch it without tissues near by. Difficult issues at hand...

It is not too late to get involved with the summer reading challenge. Please stop by the Library for details. Please also don't forget about your summer reading for school. I know it doesn't feel fun but it is really important.

Enjoy August!

Letters to the Editor

To All Property Owners of Tolland:

As a Tolland property owner and a retired Fire Chief who has been in the fire service for over 40 years, I am dismayed and shocked at the short-sightedness of the voting public of Tolland in not supporting the Fire Department and Police Department. They are the first responders to any emergency in the town. The morale in these departments is at an all time low because the town won't support them. Canceling these services will result in higher insurance costs for your property, loss of medical service by first responders, and increased losses due to delayed responses by relying on neighboring towns for fire service. In these times of increasing property values and population growth is this really what the people of Tolland deserve?

Please consider the impact of your lack of support of these essential services on your life and property and urge the town to provide adequate moral and financial support to maintain a reasonable level of service. This means supporting a new safety complex for the town as the original Fire House is not habitable due to its condition.

Sincerely yours,
Ray Salmonsens

Save Black Fly Day!

Call for new officers for BFD 2006

WE ALL LOVE BLACK FLY DAY! The 11th Black Fly Day is scheduled for Saturday, June 3, 2006. Officers for the 2006 Committee are needed because the present officers must resign after years of gallant service.

Obviously, without officers Black fly Day cannot continue....Black Fly Day 2006 needs a Chair, Vice Chair, Treasurer and Secretary as well as an Assistant Facilities Manager.

Creating this wonderful event is a lot of work, and terrifically enjoyable. You will laugh and tear your hair and be part of something both unique and constructive.

These officers may be from any of the towns of Tolland, Granville, Otis or Sandisfield. Meetings are held at the Tolland Town Hall.

If you or a group are interested in saving Black Fly Day, please contact former Committee Chair Sue Voudren by mail at 157 Hartland Road, Tolland MA 01034, or by email at svoudren@juno.com.

Deadline for inquiries is September 15, but act right away.

Renaissance, Baroque, classical music and Jazz, as played on the twelve-string guitar and five string double bass - The Double String Duo is anything but ordinary. Their performances have wowed audiences in the tri-State area. This Aug. 27, the double String Duo will perform a benefit concert here in the Berkshires at the American Legion Hamilton Grove in New Boston, with special guest performer Jazz and fusion guitar virtuoso Chad McLaughlin. This concert will benefit the Sandisfield /Historical Society's building fund.

Double String Duo members Jason Kessler and Rick Eckberg have pioneered the use of their unusual instruments to bring a new sound and style to contemporary and traditionally played repertoire from jazz to classical and fusion. Both Messrs. Kessler and Eckberg have performed at major jazz festivals. One of today's premiere jazz and fusion guitar virtuosos, guest performer guitarist and composer Chad McLaughlin has played with band members of many of today's most popular groups including Eric Clapton, Sting, Bruce Springsteen, Joni Mitchell and Joe Zawinal among many others. His mastery of the "sweep pick" technique allows him to bring extraordinary brilliance to the already extraordinary Double String Duo.

Mr. Jason Kessler has taken pieces traditionally played on classical nylon string guitar or lute and those never played on guitar at all (Vivaldi Concerto in D Major RV93, Bach Lute suite in E Minor and Mason Williams' Baroque-a-Nova) and performed them on his twelve-string steel guitars, handmade by Master Luthier George Lowden.

The enormous power and presence of these instruments as well as their shimmering sustain and brilliant overtones bring new expression and scope to variety of classical and jazz pieces. A marvelous evening of Jazz to Baroque music is in store for audiences attending this concert sponsored by the Music Store on Route 7 in Great Barrington, where tickets will be available in August. . Tickets are \$10.00. Call 258-4520 or 258-2898 for further information or to make a reservation.

You do not have to bring anything. The Town Hall is cool! This will be a chance to get together with friends and neighbors that have been staying in out of the heat and humidity of the past weeks. Seniors will receive a call to find out if they can attend so that we can get enough ice cream. At that time, the title of the movie will be revealed. For more information or if you do not receive a call, please contact Gert McKay, Tolland COA Chairperson, at 258-3336.

We started getting together in June and look forward to seeing our group grow. This is not a “club”... drop by every week, once a month, once a year - just come whenever your schedule allows or after a raining week and a bad dose of cabin fever!

Already we have made new friends as we sit, relax, chat and “do our thing”. We share stories of our lives, interests, craft ideas and much more. *Won't you join us?*
